Coach's Corner

Our team theme for the year is taken from the King of Rock, Elvis Presley's name for his band, "Takin' Care of Business (TCB)". What I hope the 2009-10 squad embraces from this theme is that what's important is the day-to-day commitment to our goals, our efforts, and our teamwork. Being the Elvis fan that I am not, I have to assume that his group was motivated to hit the road and perform with consistency and excellence no matter the circumstances. I am hopeful that this year's Tiger Women's Basketball Team has the character to do the same.

We have a lot of

talented new blood on this year's team with two transfers and three freshmen. At this time, my expectation is that they will make us a better team. If our mid-summer workout is any indication, the coaches have reason to be excited by the players' commitment to getting themselves ready to succeed. "Habit is a cable. We weave a thread of it every day until it is extremely difficult to break." According to this anonymous quote, it is our everyday consistency that has the potential to make us successful as a team.

As we are approaching the beginning of a new season, we will stress

to our players the need to Take Care of Business—in the classroom, on the court, and in the community. We will encourage them to commit to consistency every day (and the coaches will do the same!). We're entering into one of the most difficult schedules we've ever played with at least 14 games versus Top 25 opponents, but we completely expect that if we 'take care of business', we'll be back at the NAIA National Tournament in March!

Go Tigers!

2009 New Comers

Devon Golden- 5'10" FR Guard from Wapakoneta High School in Wapakoneta, OH. An outstanding student, Devon's team was runner-up in this year's Ohio High School State Championship. Devon's ability to play at multiple positions should have an impact on this year's offense.

Lindsay Fultz - 5'10" FR Forward from Anderson County High School in Lawrenceburg, KY. Lindsay was First Team All Region as a senior. Lindsay is a very athletic player with a lot of potential and should fit into our up-tempo style very nicely.

Kourtney Tyra -5'5" FR Guard from Jackson County High School in McKee, KY was named to the prestigious Kentucky All-Star team. Kourtney's passing ability and three-point range should add some immediate scoring to this year's offense.

Mandi Boykin -5'6" JR Guard is a transfer from the University of Cincinnati and a native of Ironton, OH. Mandi was an outstanding track athlete at UC before deciding to come back to the game she loved. With her speed and ability to get to the glass, Mandi should be an immediate asset for the Tigers.

Habibatou Diagne -5'11" JR Forward is a transfer from Montgomery College in Silver Spring, MD and a native of Dakar, Senegal. Abby is an excellent slasher from the high post with a strong three point range. Her rebounding and shot-blocking ability will be assets both offensively and defensively.
